Dear Parents/Guardians,

Twin Hills Elementary School received a "B-" on the State Department of Education report card. Although we are not satisfied with our grade, we were able to raise it from the previous year and Twin Hills School is one of only two schools in the county to receive a grade this high in elementary/middle school. I would also like to point out there is still much controversy over this grading system as pointed out in today's *Tulsa World* front page. Twin Hills School is a great school thanks to our students, staff, parents, and community regardless of the report card, but our score is very good if you compare it to the scores statewide. The web address to the State Department of Education website where you can view our grade card (the same as one on reverse side) or any other school's if you would like is <http://afreportcards.ok.gov/>.

As I stated earlier we are not satisfied with our grade and as a school we are always striving to improve, and I would like thank our teachers and staff for their hard work and dedication because they always strive for the best for our children. We would also like to recognize our students as we are very proud of their efforts in the classroom and on state mandated testing. Lastly, we would like to thank our parents and community for your tremendous support as well as your stressing good attendance and the importance of education. Any success Twin Hills School has is a true testament to your support.

If you have any questions, feel free to call me at 918-733-2531.

Sincerely,

Gary McElroy, Superintendent

FINAL GRADE

80 B-

¹2015 Student Achievement: 50% of the overall grade is based on the Oklahoma School Testing Program assessments in grades three (3) through high school.

² Overall Student Growth: 25% of the grade is based on annual student learning gains as measured by Oklahoma's standardized assessments in reading and mathematics in grades three(3) through eight (8); and Algebra I and English II end-of-instruction tests.

³ Bottom Quartile Student Growth: 25% of the grade is based on the growth of the bottom 25% of incoming students as measured by Oklahoma's standardized assessments in reading and mathematics in grades three(3) through eight(8); and Algebra I and English II end-of-instruction tests.

⁴ Up to 10 bonus points are awarded for factors including attendance, dropout rate, advanced coursework, college entrance exams, graduation rate, overall performance and year to year growth. The categories for bonus points are determined by grades served at the site.

*** Insufficient number of students' scores to display results.

Note: If the percent of students tested is less than 95%, the overall grade is dropped one letter grade. If the percent of students tested is less than 90%, the grade is reduced to an F.
